STANDARD CONFIGURATIONS

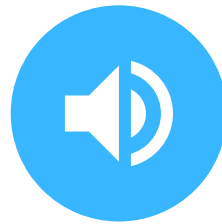

UPGRADE OPTIONS

FlameShield

If you are constructing in a bushfire-prone area, you are required to use bushfire rated building materials for construction.

Sound Smart

Face a heavily trafficked road and you can't hear yourself think? The Sound Smart range will turn a busy thoroughfare into a blissful urban hum.

Solar Comfort

It is a cost effective way to keep homes at a comfortable temperature all year round, acting as extra insulation from outside elements.
